FREE Chlamydia
screening
for under 25's

Screening varies greatly between sites so it is worth checking when screening clinics are run.

There are two posters - one listing Calderdale and one listing Huddersfield sites, they will be updated and printed quarterly. If you require further copies please contact CHLASP on 01484 344320. If you identify any changes/updates which need to be made please contact 01484 344320 or liz.clough@kirkleespcct.nhs.uk
